

Each month, our church publishes a newsletter to inform the members and the community at large about things that are happening at Moyock Baptist. To read this month's newsletter, click on the "Current Newsletter" link below.

In each newsletter, our pastor writes an episode of a long, continuing story. If you'd like to read the prior episodes, click the "Prior Episodes" link below.

And, if you'd like to have the newsletter mailed or emailed directly to you or your family, click [here](#) to send an email to our church office.
