

We have two classes for children of preschool age through kindergarten.

Preschool 1 (Nursery) meets in the nursery area, and is taught by Lori Troitino. This class is for children birth through age 2.

Preschool 2 is for children ages 3-5, including kindergarten students. The class is taught by Connie Harrelson and Patti Beatty, and meets in the Preschool Suite, across the hall from the fellowship hall.

Parents leaving their children in either class may pick up a paging device, which will allow teachers to summon parents in case they are needed. Ask the teacher at the classroom for a pager if you are interested.
