

Each February, enrollment opens for the following fall.

The first week of February (3rd thru the 7th) is reserved for children who are currently enrolled.

The second week of February (10th thru the 14th) is reserved for members of our church, and siblings of students currently or previously enrolled.

Open enrollment begins the third week of February (18th) on a "first-come, first-served" basis.

To enroll your child, complete the enrollment form (see below) and bring it to the church, together with a \$100.00 enrollment fee. Your child's space is reserved once we have the form and registration fee in hand.

Please call ahead of time and make sure that spaces are available, if the classes are full you will be placed on a wait-list.

Sometime prior to the beginning of the school year, you'll need to take your child to your doctor, and have your doctor complete the health and immunization form, also found below. Bring or mail that form back to the church prior to the first day of school. This form needs to be notarized.
